## Sunday School

- Three main classes for ages:
  - 4-6,
  - 7-9, and
  - 10+ years
- **2025 enrollment: 72 students**

- Sixth year of Sunday School at New Goloka.
- 60 students enrolled last year and this year is about 72 students enrolled.
- We have about 10 teachers, including main and assistant teachers.
- Spring session from Jan-May & fall session from Aug to Dec.
- Students learn practical application of Bhagavad Gita and Srimad Bhagavatam philosophy, stories, slokas, and important life lessons. They also learn bhajans, songs, and presentation skills.
- At the end of each session the children present what they have learned on the main stage so they can also practice expressing themselves orally in front of people.
- Started a new section on in-depth study of Srimad Bhagavatam for older students who have been coming to Sunday School for several years now and thus we are trying to encourage them in a culture of regular study of Srila Prabhupada's books.

We pray to Srila Prabhupada, Maharaja and all the Vaishnavas to shower their blessings on this Sunday School program and the children so that they can grow nicely in their spiritual lives.

Cary Christmas parade - December

# Goal

Design and build a new chariot that will enable us all to serve the Lordships in Srila Prabhupada's mission better.

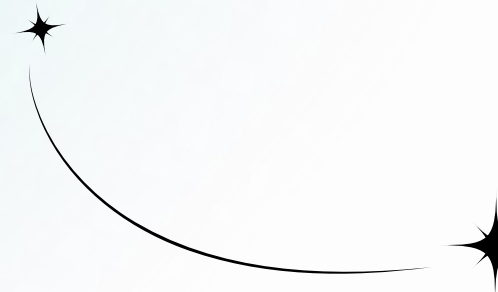

# New Chariot Features

Designed and being built to serve better in Srila Prabhupada's mission.

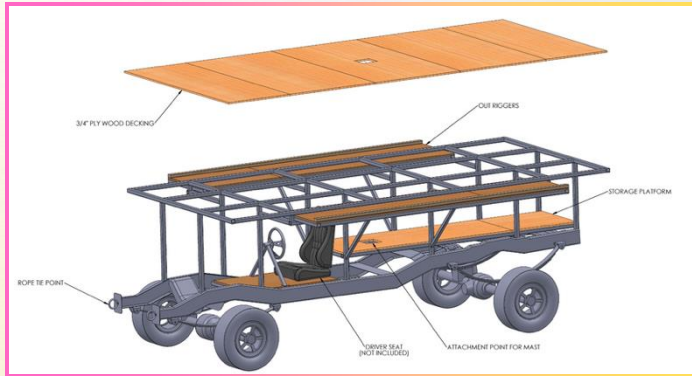

- **Has enough space and capacity**
  - for the bigger Jagannath deities, Prabhupada murti, and devotees.
- **Built to last**
  - with durable and heavy-duty metal frame on pickup truck chassis
- **Rides on any surface, from mountains to beaches,**
  - with pneumatic tires, rigid construction and chassis
- **Allows better canopy control**
  - in areas with height restrictions to raise or lower the canopy at the push of a button with an industrial-scale hydraulic mast
- **Better control and maneuverability**
  - and control easily with road-ready steering, braking, and suspension system
- **Reverberates harinaam in the cities**
  - with in-built provision for a sound system
- **Mesmerizes everyone**
  - with flexibility for lighting and decorations for visual appeal

# Construction Progress

Progressing quickly, on track

Fabricator's design

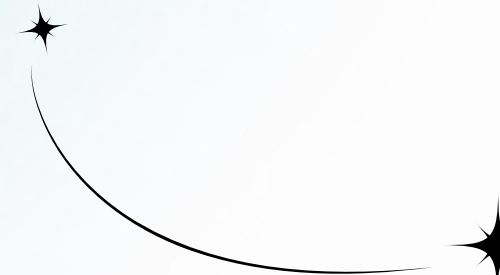

Jan 2025

Fabrication in progress, frame and mast installed.  
Expected to complete end of January.

Nov-Dec 2024

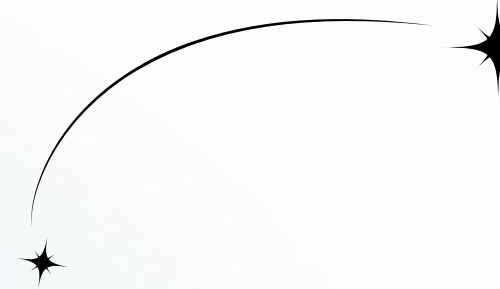

Chassis was cleaned, de-rusted, painted and moved to fabricator's workshop

# Fundraising Progress

Grateful to everyone for kind contributions

new chariot at St.Patrick's day  
parade\*

# Next Steps

Getting closer to completion

- **Reach our revised fundraising goal.**
  - Raise \$10,543 by Jan-end to likely have the new chariot at the St. Patrick's day parade (March)
- **Fabrication completion**
- **Steering and braking systems installation** around February first week.
- **Weatherproofing** all surfaces and decorative paint.
- **Battery systems** purchase and installation.
- **Electricals, electronics, lighting, and decorative items** purchase and installation.
- **Procure a trailer** for transporting the chariot.

.. and have a wonderful Ratha Yatra with the new chariot

<b>Canopy</b>	<b>\$ 1,750</b>
<b>Decorations</b>	<b>\$ 1,300</b>
<b>Electronics</b>	<b>\$ 1,853</b>
